Face care

Leopia Ritual

60 min 55€

Actions : hydrate and anti-aging properties.* The Provence smells of Leopia mask hydrate deeply and restores the flexibility of the skin. The olive oil rich in C vitamin and A provitamin brings all its natural properties of hydration and helps with the E Vitamin to balance the hydrolipidic film of the skin and its cell membranes, preserving the epidermis from external damages. This A,C,E vitamins cocktail associated to ginger and lemongrass from Terressence Leopia participate to the cell renewal, preserves the skin from tiredness and time effects, for a hydrating action and anti-aging preventing. The nut softens and balances. The soft orange purifies. Its texture is fresh and pleasant, a delicate perfume of south.

Noursea Ritual dry skins « nourishes and revitalize »

60 min 55€

Its rich and delicate texture unifies the minerals harmoniously, the elements and the vegetal materials. Associated with Argan essential oils, macadamia and jojoba Terressence Noursea. Its virtues are also antiseptic and bactericides because of the association of cinnamon, clove, lemon and lavender.

Elefia Ritual for mature skins « anti-ageing » and antioxidant »

60 min 55€

Healing treatment from the active ingredients of the Vitamin C originated from the Acerola (the fruit richest in vitamin C), associated with essential oils such as Rose Hip, Rosewood and Lemon Grass, protect the DNA from free radicals and boost the cellular regeneration. Bourrache and Argan oils restore the hydrolipidic film. They fulfill the nutritive action of Sunflower oil which brings 78% of oleic acid. The Kalpariane[®] (patented formula) restores the collagen and elastin necessary for the firmness of your skin.

Lynxia Ritual eye's care

60 min 55€

« Refreshes, smooth the wrinkles and brightens the sparkle of the gaze »

Anti-ageing eye mask which procures an instant reduce fatigue effect while smoothing the wrinkles and fine lines, because of the double action from the marine collagen and Kalpariane[®] (patented formula) associated with Rosehip essential oils, Rosewood and Lemon Grass Terressence Eléfia, which protects the DNA from free radicals and boosts the cellular regeneration process. Argan and Borage Oil stop the dehydration and skin ageing. Soy and E vitamin fix the water and firm up the skin.

Body Care

❖ Signature Végétolement Provence

Massage « à la carte » personnalisés	30 min	50€
« Choose a base and personalize by choosing your synergy »	60 min	90€

• The Bases :

- **Generous massage cream:** Its texture is will help you to fully relax and calm the mind with delicacy

- **Unavoidable massage oil:** It's a 100% vegetable oil, the sesame is used in Ayurveda for its strong absorbing power which gives it extraordinary virtues. This oil is heavy from nature, warming, that makes it an ideal foundation for a different vegetable massage which brings to relaxation.

• The synergies

- **Vitality Synergy « Water »:** A generous action that will balance and resource your body and calm the soul, while naturally stimulating your energies.

This complex activates the blood and lymph flow circulation while firming up, toning the muscular tissues. It revitalizes the skin and boosts its skin regeneration.

- **Freshness Synergy « Fire »:** Relaxes the body and calms the mind. Very balancing and refreshing, its olfactory signature reduces mental pressure, calms irritations or anger.

It gives back tonus and energy while increasing relaxation and harmonization of the organism. It is especially studied to take care of sensitive skins, subject to redness and allergies.

- **Relaxation Synergy « Air »:** Is the relaxing treatment by excellence, the olfactory signature creates a very efficient relaxation of the body and mind.

This association of anti-stress oils soften and warms the skin while activating the circulation and eliminating the toxins. We advise it before and after intense activities and during challenging periods.

- **The Athlete Synergy:** Concentrated with refreshing essential oils, the stimulating Synergy facilitate and accelerates the recovery into bringing relaxing beneficial properties. A massage for painful muscles after effort will help regain mobility and motricity. This synergy is ideal to ease heavy legs.
